ABOUT THE COMPANY

SUMA Rührtechnik GmbH is a leading Allgäu-based family company that makes a valuable contribution to environmental protection worldwide. Our ultra-modern technologies in the field of agitator and pump technology help to drive forward the energy transition and develop sustainable solutions. At SUMA, the focus is on people - the satisfaction of our employees forms the foundation of our holistic approach.

We are now looking for a dedicated business developer for India who will be responsible for setting up the new sales company, as well as final assembly and supplier development.

TASKS AND RESPONSIBILITIES

- Expansion of the market
- Active market development, customer advice and visits
- Support for orders
- Participation in trade fairs
- Development of the company
- Supplier development
- Development of a final assembly & repair department
- Optimization of the existing product portfolio

REQUIREMENTS

- Successfully completed studies or equivalent
- Professional experience in the biogas industry or comparable industries, such as pumps or agitator technology
- Confident handling of MS Office applications, Excel, Teams
- Independent and responsible way of working
- Good communication skills, high motivation and ability to work in a team
- Proficiency in written and spoken English

Please send your application stating your salary expectations and earliest possible starting date to Ms. Carina Mayr at:
